

# Story time

(ages 2–6)

Library membership  
is free for under-17s

- Find a quiet spot.
- Examine the book together and talk about it.
- Read the story aloud, using your own words if desired.
- Involve the child as much as possible. Does he/she want to hold the book? Point out or say something? Ask questions as well.
- Children love repetition. Read the book to your child again to discover new words or things.

Enjoy your story time together!
